Mr. Thomas M. Rutledge  
Chairman and CEO  
Charter Communications  
400 Atlantic Street, 10th Floor  
Stamford, CT 06901

Dear Mr. Rutledge,

I was pleased to hear that Vin Scully's final six games will be broadcasted on KTLA later this month, finally allowing all Dodger fans across Southern California to watch their favorite baseball team while listening to Vin call the games. While this progress is encouraging, it is not the end of the Dodgers blackout that has dragged on for years and kept millions of Angelenos from watching their team.

I appreciate that Charter and the other major television carriers have met with me several times over the last year to discuss finding a solution. I hope that the KTLA agreement will not be the end of talks, but only the beginning.

I encourage you to remain at the table and end this season strong—with a solution worthy of Vin Scully and your customers.

Sincerely,

Janice Hahn  
Member of Congress
